Monday, 28 June 2010 07:53

The Department of State has led a Delegation consisting of leading U.S. venture capital investors, entrepreneurs and pioneers in start-up acceleration to Jordan and has met MSTART managemnet as one of the entrepreneurs operating in Jordan . It was a unique opportunity for MSTART to share team expertise and learn more about the economic and entrepreneurial environment in Jordan, also to engage with the delegation, and other entrepreneurs, investors, educators and government officials.
